First Western is more than a bank.

We have trust services
and insurance, too.

Trust Department

First Western's asset management professionals can help you achieve your individual and business goals through personal trust and estate administration, portfolio and farm management services, as well as estate and financial planning assistance.

The Trust Department also offers a full range of retirement plan products and services, including both managed and self-directed IRAs (traditional and Roth), 401(k) plans, and other qualified retirement plan services that can be tailored to meet your specific circumstances.

First Western Insurance*

Our insurance agents in North Dakota and Minnesota will shop and compare companies to obtain you the best coverage for the best price. Protect your property, vehicles, business, life, and health.
