August 8

### Smart Crime Prevention

The next meeting will be August 8 at 7:00 pm at the Grand. Senior Officer Aaron Moss from the Minot Police Department will be the speaker. The mission of the Minot Police Department Crime Prevention Unit is to provide the community with educational and informational programs. Topics presented at the meeting

will include personal safety, scams, fraud and other relevant information for seniors.

Musical entertainment will be by Chloe Marie. Chloe Marie Watterud

will be a senior at Magic City Campus. She is a singer/songwriter from Minot and loves to give back and share her music.

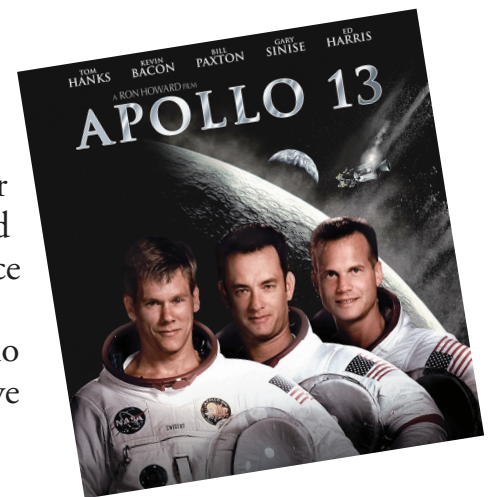

An ice cream social will be held after the meeting. Call 852-3711 to reserve your spot by August 5.

Remember this is an evening meeting.

September 12

### POPCORN AND A MOVIE

A fun time is planned for September 12 at Oak Park Theater. A free movie and popcorn with a private showing of "Apollo 13" at the Oak Park Theater at 1500 4th Ave NW. The movie will start at 1:00 pm, but arrive a bit early to get your popcorn and pop. This year we celebrated the 50th Anniversary of the moon landing, so it seemed fitting to choose a movie commemorating this event. This classic space movie is a true story immortalizing the words "Houston, we have a problem." The movie follows the events of the tense days of the Apollo 13 lunar mission crisis in 1970, when the spacecraft undergoes massive internal damage putting the lives of the three astronauts in jeopardy. The movie is rated PG. The meeting-movie should be over about 3:20 pm. Please call 852-3711 for your reservation by September 10. Remember we are meeting at Oak Park Theater.

*Please remember that all meetings and the movie are for 50 Plus Club members only.*

# THE NEW BaZing CHECKING ACCOUNT

***Check this out! Benefits are important features in new checking account program at First Western Bank and Trust***

Especially for our loyal customers, we thought it was important to offer benefits that would provide security against fraud. ID Theft Protection will assist you if your identity is ever stolen and BaZing offers reimbursement for covered expenses you might incur to restore your identity. BaZing also provides free credit and identity monitoring.

Since so many of you travel, BaZing also has Roadside Assistance which includes services such as towing and flat tire assistance.

If you have any questions about these benefits or if you have not yet enrolled in the Primetime or Lifetime checking accounts, please stop in to visit with a Customer Service Representative at any location. As always, thank you for being a loyal customer!

New checking account program at  
First Western Bank and Trust.

THE BaZing CHECKING ACCOUNT

First Western Bank & Trust has been on the hunt for a checking account program that offers more than just the ability to pay your bills. Our primary focus was to include features that would add value and convenience. It was also important that we stay true to our local roots. The answer came in the form of “BaZing”, a new mobile app that gives our customers access to hundreds of discounts nationwide.

We then asked local merchants to also participate by adding special discounts for their businesses to the BaZing network. Customers who select our “Prime-time” or “Lifetime” checking accounts could utilize this benefit. The response has been overwhelmingly positive!

We are pleased to now offer these checking accounts that include benefits that can save you money. If you are already enrolled in our Primetime Checking or Lifetime Checking, you have access to these fantastic benefits.

- Cell Phone Protection
- Health Savings Card
- Buyers Protection and Extended Warranty
- Discounts at Many Area Merchants
- ID Theft Protection
- Accidental Death Insurance
- Roadside Assistance
