### ANNOUNCEMENTS REGARDING THE CORONA VIRUS SITUATION

Dear 50 Plus Club members,

Based on the CDC (Center for Disease Control) guidelines, and the need for social distancing, the 50 Plus Club activities planned for April and May have been cancelled. The cancelled events include the Marimba Quartet Concert at Minot State University on April 24 and the meeting on May 21 with speaker Jacki Thomas, Thomas Family Funeral Home. The concerns expressed by the medical experts put the senior population most at risk if the coronavirus spreads. Therefore, we must cancel these events.

I will be re-evaluating the COVID-19 situation in the next few months to see how the disease is progressing. Watch for the next newsletter, to come out in late May/June, for the status of future 50 Plus Club events. Be healthy and safe everyone!

Sincerely,  
Vicky Campbell

#### ***The following is a message from A&B Tours, on the motor coach trips planned for this year.***

Dear Travelers,

The last thing I thought I would ever say, given that I am in the tour/travel business—PLEASE stay home if possible. We (our age group) are most at risk should we be the ones who get the virus. There is an urgent need to slow down this virus.

There are lots of news sources and of course social media that you can follow but I suggest one or two reliable sources for your knowledge base. Mine is the World Health organization. Be safe everyone!

Kathy Chadwell,  
Owner A&B Tours
