ACH Origination

ACH is the electronic equivalent to checks – except that it's faster, more convenient and more secure. Use this paperless service to quickly make and receive payments and manage cash more efficiently.

- ACH Credit allows you to electronically make payments to consumers, corporate customers and suppliers
- ACH Payroll Direct Deposit is an easy way to make payments directly into an employee's checking or savings account. Use for payroll, expense reimbursements, bonuses, pensions and other employee payments
- ACH Debit allows you to electronically collect payments from consumer and corporate accounts

Sweep Services

This service helps optimize cash flow by electronically moving surplus cash balances into higher-yielding accounts or by reducing loan balances, while allowing you to maintain daily access to your operating funds.

Bill Pay

This product streamlines the back office functions of your business and gives you the resources and time you need to focus on your business.

Business Online Bill Pay was designed specifically to meet the needs of today's businesses. In addition to making payments, you can

- Delegate the payment responsibilities
- Set permission controls
- Quickly run customized reports with information your business needs

Remote Deposit Capture

Deposit business checks without leaving your office. With Remote Deposit Capture, you can remotely deposit your checks by scanning them on your desktop scanner and securely and electronically deposit them into your First Western Bank & Trust account. That means you make fewer trips to the bank – saving you time and gas money, and your funds can be available faster.

Business Credit Cards

Get additional purchasing power with business credit cards from First Western Bank & Trust. We offer a full line of credit cards to meet your business needs. Experience the many rewards and benefits that come with card membership. First Western Bank & Trust is the creditor, issuer and service provider of the credit cards.

Positive Pay

Prevent check fraud using our Positive Pay feature to detect discrepancies before checks clear your account.

Wire Origination

Wire Origination allows you to send domestic wire transfers quickly and securely through Online Banking.

Loan Services

It takes more than just hard work and perseverance to keep your business running. It also takes capital. Business loans and other financial options from First Western Bank & Trust can provide funds critical to your growth. Regardless of the size of your loan, our professional staff has the expertise to help your business reach its full potential.

Business Loans

We offer conventional or special financing that is built around the needs of your business.

Lines of Credit

A line of credit can offer flexibility and convenience. When combined with a sweep it can offer protection from overdrafts.
