

Local Business Checking & Savings

At First Western Bank, we believe business banking should feel personal. You'll get direct access to decision-makers, guidance from experienced professionals, and a bank that's invested in the success of the communities we serve.

Let's build something strong, together.

Banking That Works as Hard as You Do

Running a business takes dedication, long hours, and the right partners. At First Western Bank, we believe your bank should support your goals - not slow you down. That's why our local business checking and savings accounts are designed to be straightforward, flexible, and built around personal service.

Local Business Checking

Simple. Reliable. Built for Business.

Your business needs an account that keeps up with daily demands. Our Local Business Checking gives you the tools to manage cash flow with confidence—without unnecessary fees or complications.

Key Benefits

- Convenient access to your funds
- Online and mobile banking for anytime account management
- Unlimited check writing for everyday business expenses
- Local, knowledgeable bankers who know your business
- Competitive pricing with transparent terms

Whether you're just getting started or managing steady growth, our business checking accounts are designed to make day-to-day banking easier so you can focus on what matters most.

Business Savings

Put Your Extra Cash to Work

Planning ahead is part of running a smart business. Our Business Savings account helps you set aside funds for future expenses, opportunities, or unexpected needs, while earning interest.

Why Choose Business Savings

- Earn interest on excess funds
- Easy transfers between accounts
- A smart way to manage reserves and seasonal cash
- Safe, secure savings backed by a trusted local bank

From equipment upgrades to long-term goals, our savings accounts help you prepare for what's next.
